

BOLTIE FASTENERS

**MANUFACTURERS OF
STAINLESS STEEL FASTENERS**

ABOUT US

Welcome to Boltie Fasteners (BLF) A Tradition of Excellence Since 2016

Since 2016, Boltie Fasteners has established itself as a leader in the stainless-steel fasteners sector, renowned for our reliability and innovation. Our products, known for their corrosion resistance and durability, meet the critical needs of diverse industries across India.

Comprehensive Applications Across Key Sectors

- Electrical Towers and Transmission Lines
- Pharmaceutical and Food & Beverage Industries
- Electronic Equipment and Structural Plants
- Chemical, Automobile, and Marine Industries
- Hydro and Thermal Power Stations
- Civil Construction and Oil Industries
- Steel Plants and Defense Industry

Boltie Fasteners (BLF) combines visionary leadership and experienced specialists with advanced IT and skilled staff to deliver superior products from cutting-edge facilities.

OUR VISION

We aspire to be recognized among the most esteemed and preferred enterprises on a global scale, setting benchmarks for quality and innovation. In every endeavour, we seek not just to meet expectations but to redefine them, ensuring that our legacy is marked by a relentless pursuit of excellence and a deep commitment to the communities we serve.

OUR MISSION

Our mission, guiding us towards our vision, is built on:

- On-Time Delivery, Competitive Pricing, and Customer Satisfaction
- Preferred Supplier to Top Global OEMs
- Technological Innovation and Operational Excellence
- Continual Growth Through Service and Innovation
- Employee Empowerment and Development
- Commitment to a Green Environment

Introducing Our State-of-the-Art Manufacturing Facility

We are your premier source for the highest quality stainless steel A2, A4, and 202 Series Grades fasteners. Our manufacturing excellence is underpinned by the rigorous ISO 9001:2015 management systems, ensuring that each product we deliver meets the pinnacle of quality standards.

Strategically Located for Optimal Service

Located in the industrial heartland of Surendranagar, 120 km from the city of Ahmedabad, our facility is perfectly positioned to serve our esteemed clientele across India. With a legacy spanning over 9 years in the fastener industry, Boltie Fasteners has become synonymous with reliability, excellence, and innovation.

Our Product Range: A Benchmark of Quality

Each product is crafted using fully automatic machinery, reflecting our commitment to technological advancement and superior manufacturing processes.

- Hex Bolts & Hex Nuts
- Plain Washers & Spring Washers
- Machine Screws
- Socket Head Cap Screws & Grub Screws
- Philips Head Machine Screws
- Self-Tapping Screws
- Threaded Studs

Unmatched Production Capabilities

Our plant boasts an impressive annual production capacity of 3600 metric tonnes, a testament to our robust manufacturing capabilities and our dedication to meeting the growing needs of our customers.

Experience the Boltie Advantage

We invite you to experience the unparalleled quality, competitive pricing, and timely delivery that Boltie Fasteners is renowned for. Our commitment to excellence extends beyond manufacturing; we are dedicated to fostering long-lasting relationships with our clients by exceeding expectations at every turn.

Join us in our journey of excellence. Try our products and witness firsthand our commitment to quality, value, and service.

PRODUCT PROCESS FLOW CHART

OUR SERVICE

At Boltie Fasteners (BLF), our foremost goal is to foster enduring relationships with our clients, founded on a bedrock of mutual trust and satisfaction. Our team, a dynamic blend of seasoned engineers in tooling, production, and quality assurance, alongside accomplished marketing and customer support professionals, is the cornerstone of our commitment to excellence. With cutting-edge facilities at our disposal, we are dedicated to producing superior products that meet the rigorous standards of zero defects.

WHY CHOOSE BLF?

Choosing Boltie Fasteners for your A2/A4/202 SERIES needs comes with a spectrum of benefits designed to ensure not just satisfaction, but a competitive edge for your business:

- **ASSURANCE OF QUALITY**

Our products undergo stringent quality checks to ensure they meet the highest standards of performance and reliability.

- **DIRECT FROM THE MANUFACTURER**

Deal directly with us, the manufacturer, for unmatched transparency, reliability, and value.

- **COMPETITIVE PRICING AND TIMELY DELIVERY**

We understand the importance of budget and time. Our competitive rates and commitment to on-time delivery are designed to keep your projects on track and within budget.

- **COMPREHENSIVE TEST REPORTS**

Gain peace of mind with access to detailed test reports that affirm the quality and specifications of our products.

- **UNPARALLELED AFTER-SALES SERVICE**

Our relationship with you doesn't end with a sale. We offer dedicated after-sales support to resolve any queries or issues promptly.

- **EXPERT ADVICE AND TECHNICAL INFORMATION**

Benefit from our deep industry knowledge with access to technical information and expert advice on product applications and best practices.

TESTING EQUIPMENT

- **HARDNESS TESTING MACHINE**
 - **TENSILE TESTING MACHINE**
 - **PMI GUN**
 - **MICROMETER**
 - **VERNIER**
 - **THREAD RING GAUGE**
 - **THREAD PLUG GAUGE**
-

ADHERING TO INTERNATIONAL STANDARDS, OUR PACKAGING AND DELIVERY PROTOCOLS INCLUDE

- **PALLETIZATION**

To ensure stability and minimize handling risks, our products are securely palletized for shipment.

- **SHRINK PACKAGING**

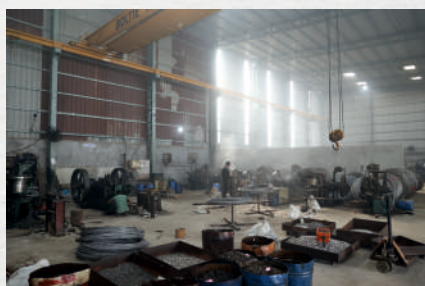

This method provides additional security, keeping the products intact and protected from external elements.

- **CONTAINERIZATION**

Within our factory premises, we employ containerization for efficient and secure transport, safeguarding the products until they reach their final destination.

Trust in Boltie Fasteners for delivery solutions that are as reliable and efficient as the products we create.
